Join the Challenge

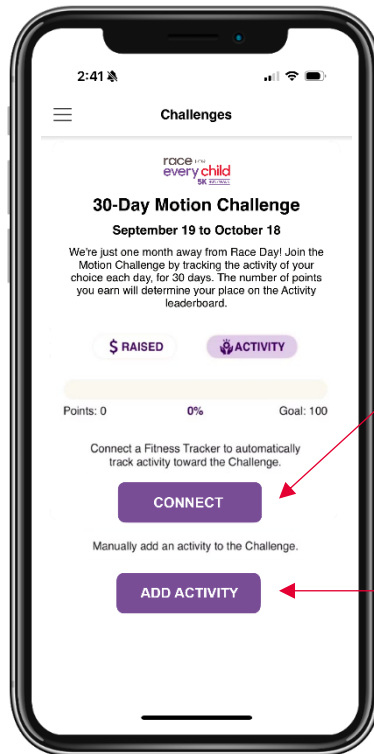

Open the app and navigate to the menu icon in the top left corner and select **Challenges**. Click the "Join Challenge" button.

Children's National.

Track Activity

From the Challenge screen, you will be prompted to connect a fitness tracker or manually enter activity.

Automatic Tracking: click the "connect" button and then select the icon of the device you wish to connect (Apple Health, Google Fit or Fitbit), and enable the app to track your activity.

Manual Tracking: click the "Add Activity" button and select your activity type and time to log an activity.

Start moving!

Track as much activity as you can for 30 days and keep your eye on the **Motion Challenge Leaderboard**. You'll receive points based on the intensity of your activity and how long you are active!
